

SCAA to Hold Annual Meeting May 6

The Spill Control Association of America (SCAA) will be holding its Annual Meeting and Cocktail Reception on Tuesday, May 6, 2008 from 5-7 pm at the Westin Savannah Harbor Golf Resort and Spa in Savannah, Georgia. The annual meeting and reception will be open to all SCAA members and invited guests and will provide an excellent networking opportunity for all sectors of the environmental and spill response community.

The SCAA reception is being held in conjunction with the Triennial [International Oil Spill Conference](#) taking place at the Savannah International Trade & Convention Center May 4-8, 2008. The Trade & Convention Center is immediately adjacent to the Westin Savannah. SCAA's event will be held in the Westin's beautiful Harbor Ballroom overlooking the Savannah River.

SCAA's board of directors will offer a brief presentation and annual report during the meeting outlining the major accomplishments of the association and benefits of membership. All members are encouraged to attend and meet in a relaxed setting with other members and invited guests. Invitations will be sent to members in February. Mark your calendars now for this outstanding networking event!

For more information, contact Kaymie Thompson Owen, CMP, Director of Meetings and Members Services at SCAA Headquarters at 443-640-1085 x112 or by email at Kaymie@ksigroup.org.
